

The Eglin USAF Regional Hospital at Eglin Air Force Base, Florida, is expanding to meet increasing demands of not only wounded service members, but of all veterans needing care.

Please join the growing family of Northwest Florida residents that are volunteering and/or contributing to the construction, furnishing, and operation of the Fisher House of the Emerald Coast. The facility will be located across the street from the Eglin USAF Regional Hospital and is projected to be in operation by Spring 2009.

Supporting America's **Military** in their time of need, we provide "a home away from home" that enables family members to be close to a loved one at the most stressful time -- during hospitalization for an illness, disease or injury.

*Because* A Family's Love is Good Medicine

Fisher Houses provide more than just a home away from home to families of veterans and service members who need to be hospitalized.

**They Provide Hope.**

The Fisher House™ program is a unique private-public partnership that supports America's military in their time of need. The program recognizes the special sacrifices of our men and women in uniform and the hardships of military service by meeting a humanitarian need beyond that normally provided by the Departments of Defense and Veterans Affairs.

Because members of the military and their families are stationed worldwide and must often travel great distances for specialized medical care, Fisher House™ Foundation donates "comfort homes," built on the grounds of major military and VA medical centers. These homes enable family members to be close to a loved one at the most stressful times - during hospitalization for an unexpected illness, disease, or injury.

At the local level, your contributions provide enhancements for families staying at the Fisher House of the Emerald Coast, and they will help defray the costs of operating and maintaining the home.

Fisher Houses™ have full-time salaried managers, but depend on volunteers and financial support for daily operations.

To make your contribution or register for a volunteer opportunity, please fill out the attached tear off form (see reverse side for the volunteer form) and mail as indicated. We urgently need and welcome your support!

Annually, the Fisher House™ program serves thousands of families and has provided millions of days lodging to family members since the program originated in 1990. By law, Fisher House Foundation uses donations to reimburse the individual Fisher Houses operated by the Army, Navy, and Air Force. No family will be required to pay for their stay at the Fisher House of the Emerald Coast!
