Care Home Health

An AngMar Managed Company

Please Join Us at our 'Health & Safety Senior Symposium,' August 15, 2017!

The North West Florida Community Advisory Council and Angels Care Home Health will be hosting a Half Day Seminar that will focus on resources for seniors on **August 15, 2017**, benefiting the Fisher House of the Emerald Coast. The event, which will be open to the public, will be held from **10 a.m. to 2 p.m.** at the Navarre Conference Center located at 8700 Navarre Pkwy in Navarre, FL 32566. Anticipated guest speakers & topics include Seniors vs. Crime, Veterans Affairs, Synergy Home Care, Regency Hospice, Angels Care Home Health, Navarre Fire Department and Fisher House. Lunch Hors d'oeuvres will be provided.

This community-wide event is expected to host seniors, families, caregivers and the general public. We would like to have representatives from various health care providers and senior representatives in the area join us for this educational event to distribute information about the services offered throughout the community. This will be a great opportunity to introduce your business and the services you have available, as well as provide valuable information to our community in the Panhandle counties of Santa Rosa, Okaloosa, Escambia and Walton.

In addition to passing out information, we ask that each participant perform an activity, service or game at their booth. We also request that each participating vendor supply one **(1) door prize** that will not only help promote their business, but will also provide an incentive offering to our attendees, making their experience at our event even more enjoyable. There will be intermissions between speakers for booth interaction.

To participate as a vendor, we are charging a **\$100 booth rental fee (Checks made payable to Fisher House of the Emerald Coast)**. This fee includes a display table/chairs, as well as your company's name listed in all published advertisements and promotional flyers produced to promote the event.

If you are interested in participating in our Half Day Seminar, and want to ensure your business is listed in the advertising and promotional materials, please fill out and return the RSVP form at the bottom of this letter no later than **Friday, July 14, 2017**.

Please call Daina Skinner or Cindy Crews at (850) 862-5424 or (850) 981-3326 if you have any questions. Thank you in advance for your support.
