Conversational format led by Joe Markin, USAF, Ret., Master of Ceremonies Neko Stubblefield and National Anthem by Chevon Corlew Coleman. Special music by British Invasion Band.

In addition to our annual Gala scheduled October 22, we have added an opportunity for our military rich community to hear from a family member the "why" we have Fisher Houses and the comfort it provides during a medical event.

Jennifer, military spouse of wounded warrior Capt. Nate Nelson, USAF, Ret. will share her perspective. Nate, who suffered a spinal cord injury from a rocket blast in Afghanistan when Jennifer was 6 months pregnant, has no movement below his chest and limited use of his hands. Today, Nate works in the office of local congressman Matt Gaetz.

Our mission is to keep military families together during times of medical need, providing a support system for healing.
