"I've spent the last week here at Fisher House in support of my son, who had an emergency surgery. Flying from California to Florida was a task all on its own but getting here and not having to worry about a place to stay, food and laundry has been the biggest blessing. Thank you to all who have made Fisher House what it is and the mission they support happen. I have felt love and support from the staff and other guests since arriving. Thank you Fisher House."

Our community continues to struggle with the pandemic, illness and closures, while medical events continue to happen for our military families. #Care continues with us - families are placed in partner hotels at a greater rate due to mission essential base limitations to our house, we are providing all nutrition to our families due to reduced community access to our families, and with the loss of events, we are asking for your help.

"My dad suffered a heart failure 4x, we drove from Fort Campbell, Kentucky. After being here for almost a month it was a financial strain on us. We struggled, we were sleeping in our car while my dad continued to struggle to survive. A remarkable woman named Cynthia (In ICU) said "I know a way to help ya'll its called Fisher House." Our lives changed in a unique way. God has been so good, providing us with a way to continue to be here for my dad, but no longer suffering financially. Fisher House has been a splendid life changing blessing for our family."
